Re: DISNEY!

There is the payment schedule for our trip to Walt Disney World and Universal Studios Islands of Adventure!

<u>Kind</u>	<u>Due Date</u>	<u>Amount</u>
Initial Deposit	Friday, December 3 rd	\$200
2 nd Payment	Friday, February 4 th	\$250
Final Payment	Friday March 4 th	funds remaining (\$350 approx)

All checks should be made out to “Falcon Band Parents Organization” and placed in the envelope on the bulletin board in the band room

I agree with Bradley Weeder, who so comically stated in his banquet speech, the more people who go, the less the cost of the trip. But it’s totally true! These numbers are based on 5-to-a-room and 65 people going on the trip and may change in less people go on tour.

Great job with your fundraising in the checkbook sales!!!! They were through the roof this year! Make sure that you continue selling, selling, selling as opportunities are given to you by FBPO. It will really help your family to keep the cost of your trip low!

This next statement is not meant as a mixed message! You may use the money you fundraised for as many payments as you need. However, if *possible*, I would prefer that you not use these funds for the INITIAL payment (only). This way, we can have a firm financial commitment from you and also establish a realistic list of travelers based on the deposits. But, if you already have enough money in your account to pay for the whole trip, please disregard my statement.

*For families with more than one student in the band or who are financially unstable, we know that this can be a big financial burden and can work out an alternative payment schedule if necessary.

We need Chaperones!! With a group of this size we need to take 6 - 8 adults. If you are interested, please email me at jnoworyt@cusd200.org

Heads up - we will perform Disney Music in the parade, so there will be 2 evening rehearsals in March (TBA) prior to the trip.
